RECOMANDARI

1

Puteți identifica piesele folosind numerele de pe foi. Detașați piesele când aveți nevoie de ele, în timp ce urmați pașii din instrucțiuni.

2

Cereți unui adult să taie toate piciorusele de legatura înainte de a asambla piesele. Pe anumite părți, asigurați-vă că tăiați doar acele picioruse.

3

Important: anumite piese arată similar. Urmăriți cu atenție direcția de asamblare.

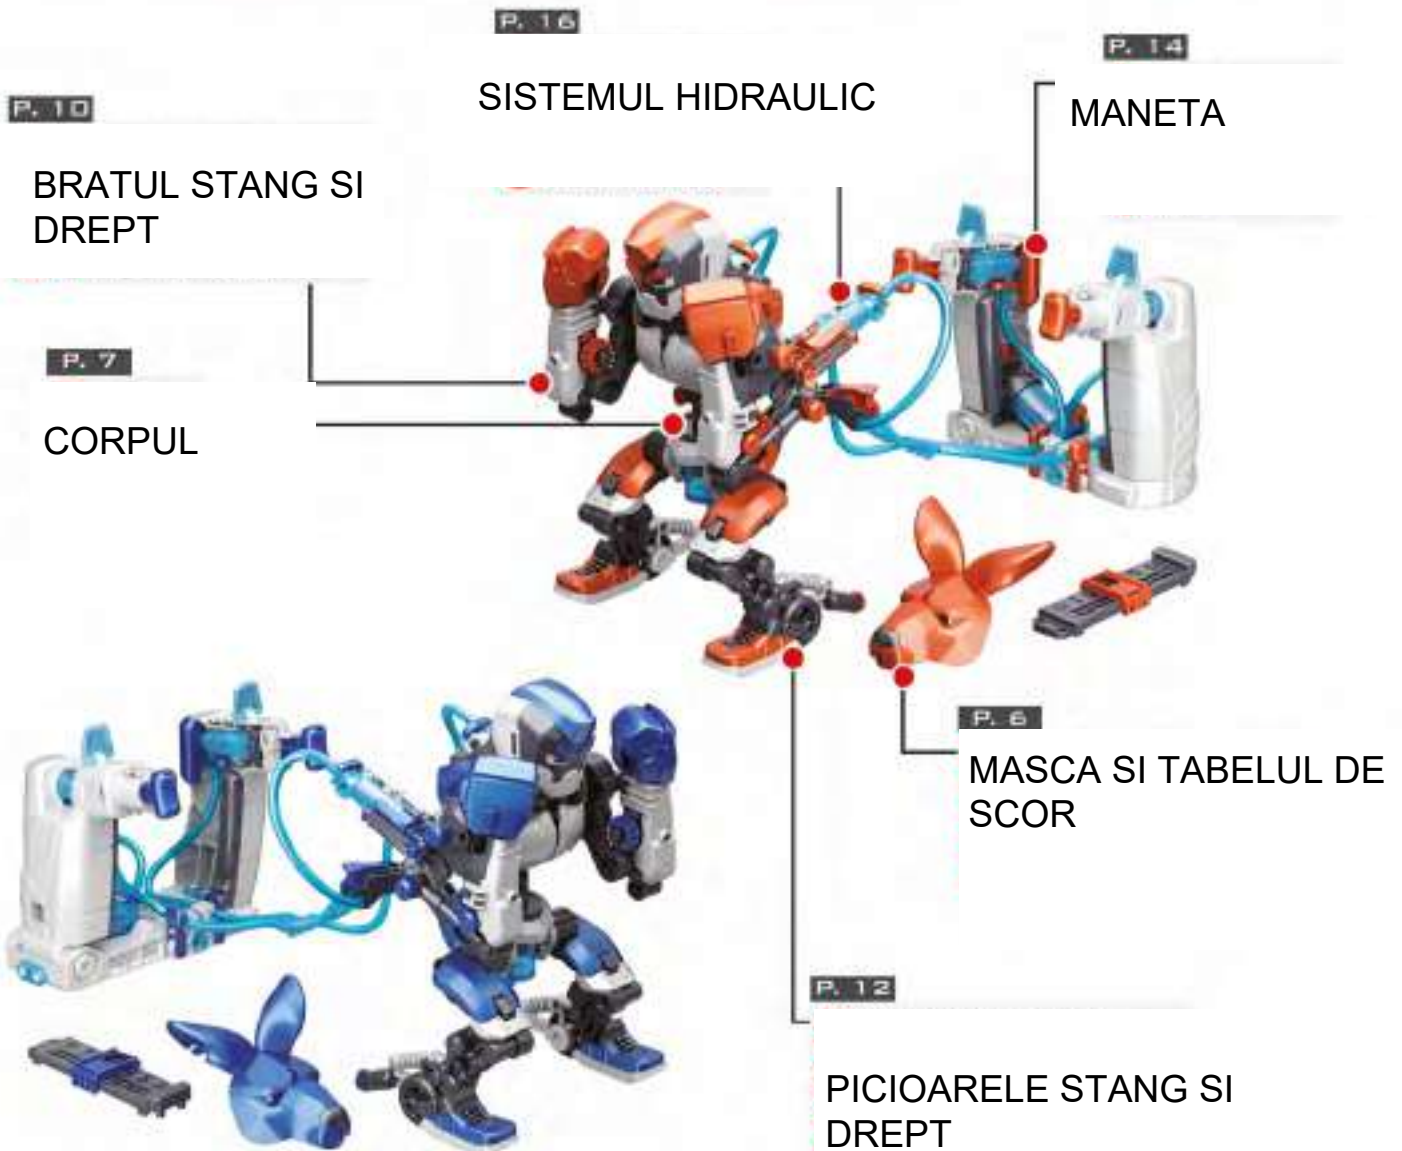

4

Citiți cu atenție instrucțiunile și urmați pașii de asamblare în ordinea corectă.
