

The book cover features a dark, atmospheric illustration of a house at night. The roof is made of dark wooden beams, and the walls are a light, textured color. A large, circular window with a cross-shaped frame is the central focus. Inside the window, a small, white ghost with large black eyes and a blue and white striped body is visible. The sky above the roof is dark with small white stars. The bottom of the cover shows a dark, diamond-patterned lattice or fence, with some green foliage and a circular object on the right side.

A fost odată ca niciodată o fantomă
care era o păturică.

Nu-i trecea prin cap de ce-i păturică.
Mama, tata și toți prietenii săi erau
cearșafuri.
