LESSON 1: THE ARTICLE

Explanations

An **article** is a word used to modify a noun; the noun can be a person, a place, an object or an idea.

There are 3 types of articles: **DEFINITE**, **INDEFINITE** AND **ZERO ARTICLE**. In this lesson, we will talk about **DEFINITE** and **INDEFINITE ARTICLES**.

➤ *INDEFINITE ARTICLE (A/AN)*

The indefinite article is used with singular nouns, which are not described.

- **AN** – is used before singular nouns that begin with a vowel (a, e, i, o, u) or with mute *h*

Example: an apple an elephant an eagle
an ice cream an hour

- **A** – is used before singular nouns that begin with a consonant

Example: a book a dress a hat a table a violin

We use the indefinite article:

- ✓ for general description (when we want to say more about a noun)

Example: A bobcat is a wild animal, similar to a cat.

- ✓ to describe somebody's job

Example: My dad is a doctor.
John is an astronaut.

- ✓ to talk about the feature of a person

Example: Mary is a fool!

He is such a naive person.

✓ to say something about all things of the same kind

Example: A child like to eat candies. (= All children like to eat candies.)

REMEMBER!!!

We don't use an indefinite article with plurals or uncountable nouns.

Example: I have long blonde hair.

REMEMBER!!!

We always use an indefinite article after: what, such, half, quite, rather, without.

Example: Don't leave without an umbrella.

➤ DEFINITE ARTICLE (THE)

The definite article is used when we refer to something definite or described.

- When **the** is used before words which begin with a consonant, it is pronounced „**dhă**“.

Example: **the** cat **the** book

- When **the** is used before words which begin with a vowel (a, e, i, o, u), it is pronounced „**dhi**“.

Example: **the** apple **the** elephant

We use the definite article:

- ✓ When we refer to something which was already mentioned

Example: I saw a very good movie last night. **The** movie lasts 2 hours.

- ✓ In an expression with *of* or *which*
Example: Bucharest is **the** capital of Romania.
- ✓ Before the names of certain countries
Example: **the** United States of America
the United Kingdom **the** Lebanon **the** United Arab Emirates
- ✓ With a group of mountains, oceans, seas and rivers
Example: **the** Himalayas **the** Carpathians **the** Black Sea **the** Danube **the** Pacific Ocean
- ✓ With names of hotels, cinemas or theatres
Example: Is she staying at **the** Ramada Hotel?
- ✓ With parts of the day
Example: Did they have breakfast in **the** morning?
- ✓ With nationalities
Example: **the** Italians **the** Americans **the** Romanians
- ✓ With musical instruments
Example: She plays **the** piano. He plays **the** guitar.
- ✓ With adjectives when we want to describe a group
Example: **the** rich **the** poor **the** old
- ✓ With an official position
Example: **the** Queen **the** President
- ✓ With the name of a family
Example: **the** Smiths
- ✓ With fixed phrases
Example: on **the** other hand **the** sooner **the** better
by **the** way
- ✓ With time
