It is Silver!

"Polly wants a cracker!" cries his parrot.

"Polly wants a cracker!"

"Who do we have here? Why, it's Jim. Welcome back, boy!" says Silver.

Jim can't believe his eyes. The pirates have taken the fort!

"Your friend, Doctor Livesey, gave us the fort" continues Silver.

"No, that's not true!" cries Jim.

"And guess what?"

Silver takes a document from his pocket and shows it to Jim.

"He gave us the treasure map, too!" Jim is shocked. He thought Doctor Livesey was his friend.

Now Jim is the pirate's prisoner!

The next morning, they set off in search of the treasure. Jim is attached to Silver by a rope. They walk for a long time.

Suddenly, they see a skeleton next to a tall tree. His arms are pointing in the direction of the treasure!

"So-ho mates, what's this?" laughs Silver, seeing the skeleton. "Old Flint left us a clue! He has a sense of humour. Men, it means we're almost there!"

The men clap and cheer - they will finally have the treasure! They start to walk quickly in the direction of the treasure.
