The UK National Junior Memory Championship

Some people are very clever and have got wonderful memories. But can you learn to be a memory champion?

In the UK there's a memory competition for children. It's the National Junior Memory Championship. The children's schools are a bit different. They have reading lessons and writing lessons, but there are also memory lessons!

This year the competition is at London Zoo. The children have different tests. They've got a list of numbers. They've got a list of words. They've got a list of names and they've got information about London Zoo. And they've only got five minutes.

Joachim can remember forty-seven words – that's fantastic! Iris can remember forty names – that's fantastic too. But the winner is Lily-Rose. She can remember thirty numbers, thirty-five names and ninety percent of the information. Wow!

Look at the numbers above for 30 seconds. Then close the book and write down as many as you can.
